### CLEARINGHOUSE RULE 19-131

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated December 2014.]**

#### **5. Clarity, Grammar, Punctuation and Use of Plain Language**

In the statute interpreted section of the rule analysis, a quotation mark should be added after “trapping”. The statutory authority section of the rule analysis states that statutes being interpreted or establishing agency authority “include” s. 29.014, Stats.; is there another statute that should be listed in this section? If so, it should be listed. In the statutory authority and explanation of agency authority sections of the rule analysis, “, Stats.”, should be added after “s. 29.104”. In the analysis and supporting documents section of the rule analysis, it appears that including “(reduced expenditure)” after “hunting expenditure” is necessary.
